Karen, a service user says:

My experience is valued, and it makes you feel as if you have some worth, knowing that there is someone there."

Please do get in touch!

who cares.

Lots of people struggle with their mental health or care for someone who is struggling, but many people find it hard to take the first step and ask for support. We are here to listen and support you. We will identify what help you need and where you can find it.

Pathfinder is an alliance of organisations working together to enable people with mental health support needs, and their carers, to improve their mental health and wellbeing.
